

PETITION FOR ANNEXATION

Instructions:

1. Fill in **Property Address**
2. Fill in **Legal Description** and **Parcel ID Number**, if you have it. If not, you can access it on your annual property tax bill, which you can look up online at <https://www.ebrso.org/> Or, we can fill that information in for you.
3. Have all property owners sign. In order for a property to be annexed, all owners *of that property* must sign an annexation petition. It doesn't have to be the same page, if property owners live out of state, they can sign separate pages and mail them in. We've made several signature lines in the event a property has multiple owners, however if there is only one owner you need only sign once.
4. **Mail to:**
One Baton Rouge
7516 Bluebonnet Blvd #180
Baton Rouge, LA 70810
5. Or you can scan and email to: OneBatonRouge@gmail.com

Anyone can annex. You have to be adjacent to current city limits and each annexation petition must be contiguous, and you need 50%+1 of the properties contained in the petition to sign the petition. One Baton Rouge is facilitating the annexation process and will work on a path to annexation for anyone interested in annexing.

For questions, contact M.E. Cormier at OneBatonRouge@gmail.com or 225-266-6575
